Nigel Hemming © 1998 Vineyard Songs (UK/Eire)(PRS)

A
You are warm like the sunshine,
On a bright summer day

G
You are clear as the blue sky

D
When the clouds have rolled away

A
You are gentle as the evening breeze
That blows against my face

G **D/F#** **A**
And I love to be with you beautiful God

G **D/F#** **A**
And I love to be with you beautiful God.

A
You protect me with your arms of love
And you take away my fear

G
I'm reaching out my hands to you

D
'Cause I know that you are near

A
Lord I'll whisper words of tenderness
Which only you can hear

G **D/F#** **A**
And I love to be with you beautiful God

G **D/F#** **A**
And I love to be with you beautiful God.

G **D/F#**
As my love for you grows strong

A
Close to you is where I long to be

G **D/F#**
As I gaze into your eyes

A **G**
Such a look of pure delight I see

D **G D A G D A**
Lord you're smiling at me.
