

D **A** **Bm**
Turn your eyes upon Jesus
G **Em** **A** **A7**
Look forth in his wonderful face
D **D7**
And the things of earth
G **Gm**
Will grow strangely dim
D **G** **A** **D**
In the light of his glory and grace.

Keep your eyes upon Jesus
And listen to what he will say
And then hour by hour
He will give you power
As you follow and quickly obey.

Turn your thoughts upon Jesus
Let nobody else take his place
And into your life, will come victory
Till at last you have won the great race.
