

**D**                    **G**                    **A**  
Let there be love shared among us  
**D**                    **Bm**  
Let there be love in our eyes  
**Em**                    **A**  
May now your love sweep this nation  
**D**                    **D7**  
Cause us oh Lord to arise  
**G**                    **A**  
Give us a fresh understanding  
**D**                    **Bm**  
Of brotherly love that is real  
**Em**                    **A**  
Let there be love shared among us

**G**    **D**  
Let there be love.  
  
Let there be joy....  
  
Let there be peace....
