

Dm C Bb F  
Amazing grace how sweet the sound  
Dm C Bb  
That saved a wretch like me  
Dm C Bb F  
I once was lost but now I'm found  
Bb C Bb  
No longer blind - I see

I have chosen to run this race,  
Determined to reach the end  
I have forgotten it's only by grace

That I can see Your face F  
Bb C F  
Only by grace the eagle's fly  
Bb C Dm  
By that same grace You'll lift me high  
Bb F  
I lift up my hands to You, It's You alone  
Bb  
Who can show me the way,  
Gm C F  
(The way to the Father's throne)

Only by grace can I see  
That I can be all I'm called to be,  
I lift up my eyes to You, it's You alone,  
Who will lead me away,  
Far from all my sin

O I've tried to walk alone,  
It was to no avail,  
But when all's been said and done  
I know that I'm too frail
