

Am

Time after time, I give my word

C

That I will never sin again

Dm

But then I'm in this earthly world

G**Am**

And I am just a simple man, Aha.

I'm losing hope, what should I do?

And I believe you love me too

But heaven seems so far away

I'm like a sheep that's gone astray, Aha.

Ref: **C**

Come to me, and I will save you

G

Think of me, and I'll be with you

Am

Run to me, and I will guide you

G

Follow me, and I will lead you

Am**G**

I will lead you, I will lead you on.

Lord I'm lying on my lonely bed

In just a minute, I'll be dead

Lord please don't turn your face away

I need you on my dying day, Aha.

Lord I love you and I know you know it

I do believe and I'll like to show it

But temptation takes the best of me

Come on and take the rest of me, Aha. Ref:

Lord you know I've tried so hard

But never seemed to reach my goal

Lord tell me that we'll never part

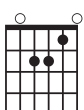

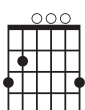

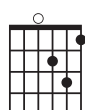

And promise me you'll take my soul, Aha.

Lord I love you and I know you know it

I do believe and I'll like to show it

But temptation takes the best of me

Come on and take the rest of me, Aha.
