

'02. God is Love (4/4)

C F
He's got my back when I go through this world
Am G C
He's by my side when I love the other
F C
Tell me Lord that my God blessed me so
Am G C
With so much love from the highs and lows.

F C
God is love, my Lord is good
Am G C
Everything about him makes me feel good.
C F C
He gives me strength to go and move on,
Am G C
no one can compare to his infinite love.

Am G
Tell me Lord, what can I do?
F C
"Love one another as I loved you"
Am G
From East to West, to coast to coast
F C
crying from rooftops we love the most.

F C
Cause God is love, my Lord is good
Am G C
Everything about him makes me feel good.
C F C
He gives me strength to go and move on,
Am G C
no one can compare to his infinite love.

Am G
He gives me light to go and move on
F C
When I'm all alone trying to live His word
Am G
But when we gather it's a family
F C
There's so much love that's surrounding me. **Ref:**
